### Teaching Evaluations

**Instructor of Record**, Financial Management (Summer 2025): "explained course material in a way that helped me learn" **4.9**/5; "expectations for how to succeed were clear" **4.9**/5; "advanced my understanding of the subject matter" 4.7/5.

**Teaching Assistant** (2023–2026): student ratings of the helpfulness of the TA's explanations of course material averaged **4.3**/5 across 21 discussion sections (200 responses) in five courses — Personnel Economics 4.7/5, Financial Management 4.5/5, Behavioral Economics 4.4/5.

*Selected student comments:*

"Hands down the best TA I've ever had at UCSB. She explains confusing concepts very clearly and I always leave discussion section understanding everything." — Personnel Economics

"The review session before each midterm was phenomenally helpful — such a great explainer." — Financial Management

"I really enjoyed the structure of this class; everything was clear and Anastasiia taught very well." — Financial Management (as Instructor)
